

A6 Custom Shape Seed Paper

OUR CUSTOM SEED PAPER SHAPES ARE MADE FROM BIODEGRADABLE PAPER EMBEDDED WITH SEEDS.

SUMMARY	Our custom seed paper shapes are made from biodegradable paper embedded with seeds. With full-colour printing available, you can add your brand logo, message, or artwork, making it a memorable and sustainable promotional item. When planted, the paper will grow into a beautiful display of flowers. Perfect for eco-conscious organisations, weddings, or special events.
PRODUCT DETAILS	Ideal for unique event invites, memorable business cards, or sustainable notes, our custom-shaped seed paper lets your brand make a lasting impression. Sustainably Printed Our seed paper is high-quality, recycled 220gsm plantable paper produced from waste material originating from the textile industry. We print each sheet in-house right here in the UK, minimising our carbon footprint while ensuring your message grows into a lasting, beautiful wildflower display. Grow Anywhere, Anytime! Our seed paper is exceptionally versatile, making it perfect for garden beds, flower pots, and planters. Whether you're in a flat or a garden, you can enjoy the blooms. Just plant, water, and watch your flowers grow. Customise with Your Brand Choose any shape you want for your seed paper. Contact us for pricing and specify whether you want single or double-sided print, and the footprint size (e.g., A7/A6). Get your message across clearly with full-colour printing options, enhancing your brand's commitment to sustainability and quality.
