

## Bespoke Shaped Seed Bombs

CREATE AN ECO-MESSAGE AS UNIQUE AS YOUR BRAND.

<b>SUMMARY</b>	Explore our custom seed bombs: your simple design or logo is outlined on a circular base, ensuring your brand becomes the highlight of any event. Easy to use and environmentally friendly, these seed bombs bloom into a stunning display of wildflowers, leaving a lasting impression of your brand in the minds of recipients long after they're planted.
<b>PRODUCT DETAILS</b>	Make your brand memorable with our Custom Seed Bombs, perfect for any business aiming for a green touch in their promotions. These are ideal whether you're a small business looking to get noticed, or if you're setting up for an event and need unique gifts that stand out. <b>Key Features: Unique and Memorable:</b> With your simple logo or design outlined on the top, these seed bombs are not just a talking point but also leave a lasting reminder as they grow into a lovely wildflower display. <b>Neat and Handy:</b> Each set of 3 seed bombs are enclosed in a carton, keeping everything tidy whether it's sent by post or carried away from an event. <b>Made in the UK:</b> We make these right here at home by a Certified B-Corp, meeting top standards for social and environmental impact. <b>Flexible Order Quantity:</b> You can order as few as 250 units, making these seed bombs a great choice for any size of promotion. <b>Truly Green:</b> Our seeds are grown and harvested right here, making these seed bombs a genuine choice for sustainable campaigns. <b>A Lasting Impact with Every Bloom:</b> Just plant the seed bombs, give them some water, and watch them grow into a beautiful wildflower patch that keeps your brand in sight and in mind. <b>Matchbox Measurements:</b> 85 X 55 X 22mm <b>Branding Area:</b> 75 x 80mm
