

Seed Paper Wristbands

KEEP YOUR FESTIVAL MEMORIES ALIVE WITH THESE ECO-WRISTBANDS.

SUMMARY	Unforgettable in every sense, our seed paper wristbands provide more than just event access — they give back to the Earth. After your gathering winds down, they can be planted to grow a burst of native wildflowers, keeping the memory of your festival, party or fundraiser alive for months and years to come.
PRODUCT DETAILS	Ideal for festivals, parties, or fundraisers, our seed paper wristbands turn entry tickets into future gardens. Just plant and water them after the event to grow a patch of wildflowers. Sustainably Printed Our seed paper wristbands are made using high quality, recycled 220gsm plantable paper produced from waste material originating from the textile industry. We print each wristband in-house right here in the UK, minimising our carbon footprint while ensuring your message grows into a lasting, beautiful wildflower display. Grow Anywhere, Anytime! Our seed paper is exceptionally versatile, making it a perfect fit for garden beds, flower pots, and planters. So, if you're confined to a flat or perhaps living on a hypothetical spaceship, you can still enjoy the blooms. Just plant, water, and watch your flowers grow. Customise with Your Brand Get your message across clearly with full-colour printing options on one or both sides of this seed paper, amplifying your brand's commitment to both quality and sustainability.
