

Seed Paper Business Card

OUR SEED PAPER BUSINESS CARDS ARE NOT JUST ANOTHER
PIECE OF PAPER.

SUMMARY	Transform your networking into an eco-friendly experience with our seed paper business cards. Crafted from high-quality recycled paper and embedded with wildflower seeds, these cards do more than just share your contact details. Once planted and watered, they bloom into a vibrant wildflower garden, leaving a memorable impression that grows over time.
PRODUCT DETAILS	Ideal for networking events, trade shows, or one-on-one meetings, our seed paper business cards not only help you stand out but also echo your commitment to sustainability. Hand them out and watch your business relationships bloom into vibrant wildflowers. Sustainably Printed Our seed paper business cards are made using high quality, recycled 220gsm plantable paper produced from waste material originating from the textile industry. We print each business card in-house right here in the UK, minimising our carbon footprint while ensuring your message grows into a lasting, beautiful wildflower display. Grow Anywhere, Anytime! Our seed paper is exceptionally versatile, making it a perfect fit for garden beds, flower pots, and planters. So, if you're confined to a flat or perhaps living on a hypothetical spaceship, you can still enjoy the blooms. Just plant, water, and watch your flowers grow. Customise with Your Brand Get your message across clearly with full-colour printing options on one or both sides of this seed paper, amplifying your brand's commitment to both quality and sustainability.
