

Square Seed Paper Coaster

A COASTER THAT GROWS! CUSTOMISE IT WITH YOUR MESSAGE, THEN PLANT IT AND WATCH WILDFLOWERS BLOOM.

SUMMARY	Make your brand the talk of the table with our Square Seed Paper Coaster. Use it during events, conferences, or in the office, and when it's done, plant it to grow wildflowers—keeping your brand flourishing beyond the last sip.
PRODUCT DETAILS	Tired of promotional items that end up in the bin? Our Square Seed Paper Coaster offers a refreshing alternative. Measuring 100mm x 100mm, it's made from 220gsm seed paper embedded with wildflower seeds. After it's done protecting surfaces, plant it and watch as it transforms into a patch of blooming wildflowers, leaving a lasting impression of your brand. What's more, it's produced using waste fibres from the textile industry, so you're choosing a product that doesn't contribute to paper waste. Fully customisable with full-colour printing on one or both sides, it's a unique and memorable item that won't be forgotten. Ideal for events, conferences, or everyday office use, it's a great talking point that showcases innovation and sustainability. Key Features: Size: 100mm x 100mm Material: 220gsm seed paper embedded with wildflowers Customisation: Full-colour print on one or both sides Sustainable Production: Made using waste fibres from the textile industry Plantable: After use, plant it to grow wildflowers
