

Circular Seed Paper Coaster

A COASTER THAT BLOOMS! CUSTOMISE IT WITH YOUR MESSAGE, THEN PLANT IT AND WATCH WILDFLOWERS GROW.

SUMMARY	Make your brand the talk of the table with our Circular Seed Paper Coaster. Use it during events, conferences, or in the office, and when it's done, plant it to grow wildflowers—keeping your brand flourishing beyond the last sip.
PRODUCT DETAILS	<p>Looking for a promotional item that leaves a lasting impression? Our Circular Seed Paper Coaster offers a refreshing alternative to ordinary giveaways. Measuring 93mm in diameter, it's available in either 140gsm or 220gsm seed paper embedded with wildflower seeds. After it's done protecting surfaces, plant it and watch as it transforms into blooming wildflowers, ensuring your brand stays fresh in the minds of your clients. Fully customisable with full-colour printing on one or both sides, it's a unique and memorable item that won't be forgotten. Plus, it's produced using waste fibres from the textile industry, so you're choosing a product that doesn't contribute to paper waste. Ideal for events, conferences, or everyday office use, it's a great talking point that showcases innovation and sustainability without any greenwashing. Designed to be used, enjoyed, and then transformed into a patch of nature, it keeps your brand in the hearts and minds of clients and their customers alike.
